Subject: Field Trip Bag Lunches

Is your child's class planning a field trip? Did you know you can order a field trip bag lunch from your food service department? Attached is a bag lunch form that can be used to order your child's field trip bag lunch. Just fill out the field trip bag lunch form, attach payment and have your child return it to their homeroom teacher or Medway Public Schools foodservice staff at least two school days before the field trip. Additional forms are available from your school's foodservice department or online at: www.medwayschools.org
