

A Holiday Star

(Staff, Teacher Appreciation & Recognition)

A Gift is nice... but a STAR will make their Holidays shine

The **Medway Foundation for Education** would like to help you honor those exemplary educators who make a difference in your child's education. The foundation has established a tribute called Staff, Teacher Appreciation & Recognition (STAR) to allow you to show your gratitude for a job well done. By making gifts to the foundation on behalf of your child's teachers or school staff member, you will be adding to a fund which encourages creativity throughout the Medway school system.

The Medway Foundation for Education will send honorees a certificate notifying them that a gift to the foundation was made by you. Your gift not only recognizes a job well done, but also provides much needed funds for new and innovative programs. Some examples are; Writers Workshop, the Middle school Science Fair, and Math Counts. For more information about MFE and our fund raising efforts, please visit our website at www.medwayeducation.org

Please detach the form below and return it with a \$15.00 donation (per teacher) in an envelope marked office, via your child's backpack. Checks may be made payable to **Medway Foundation for Education**.

Our teachers, staff and students appreciate your support!
