June 2009

Dear Parents/Guardians,

Attached you will find the Summer Reading List for your Medway Middle School student. Each student is required to read two books from the suggested list. There is a required selection for incoming 7th and 8th graders who are enrolled in the accelerated English program.

A "Bookfair Voucher" from Barnes & Noble Booksellers is also attached. Barnes & Noble, located in Bellingham, will make a donation to the Medway Middle School based on purchases made during June 11 and 12. The voucher may be used for books for the whole family – not just reading list selections.

In addition, our talented art students will have their work displayed in the café and magazine section of Barnes & Noble during the Bookfair. Be sure to view their masterpieces as you shop!

Please sign below and return the bottom of this letter to your child's current homeroom teacher before Friday, June 12, 2009.

Don't forget to take time to select something for yourself! Have an enjoyable summer. Happy reading!

Sincerely,

Joanne Senier-LaBarre
Principal
