C12. KIDS COOKING AROUND THE WORLD – Grades 2-4

In this series of cooking classes, the children learn measuring math, mixing and basic food science. Throughout the four sessions, they practice and learn knife skills, including dicing and julienne, as well as safety rules of working in a kitchen. Every week they learn how to buy, prepare and use a fruit or vegetable in each recipe. This program provides a great opportunity for young minds to expand their palate by cooking a wide range of food. The menu includes *Fresh Spring Rolls, Pizza, Latkes with Applesauce, and Apple Pie Cups*. All recipes are delicious and kid-friendly, and participants are encouraged to enjoy their generous snack-size portions during class. Recipes will be sent home with children. Returning “chefs” are encouraged to join the fun – again!

F.A.S.T. Athletics Staff – Memorial School Gym 9:00am-3:00pm
Tuesday-Thursday, April 18-20 3 sessions **\$95**

C25. KARATE – Beginner & Advanced – Grades K-8

Learn the art of Kempo Karate. This six-week program offers beginner and advanced levels. The beginner level teaches age-appropriate self-defense techniques; the advanced level is for students who have previously taken Karate and focuses on more difficult age-appropriate self-defense techniques. Both levels of karate teach important life skills, such as confidence, self-control, and patience. The biggest benefit to karate is that it is an individual sport in which each student works at his or her own pace. The last class will include a test during which the students will demonstrate the skills they have learned during the program. At the conclusion of the test, the students will earn their rank, which, depending on their level, will be either a stripe or a belt.
