## **Camp Location Change**

Due to the much-anticipated improvements scheduled for Choate Park this summer, our 2018 camp will take place at the Medway Middle School.

Everything campers and families love about our outdoor camp will remain the same - numerous fields for activities and sports, shaded areas for crafts and games, courts for tennis and dodge ball, basketball courts, a track and playground area. On rainy days, we will move the fun indoors using two gyms and the cafeteria.
