

# Student Drop-off and Pick –up at the Medway Schools 2009-2010

## Middle School

**Please do not drop your child at school before 7:10 a.m. as there is no adult supervision prior to that time.**

Enter the access road on the south side of the school and use the gravel parking lot or enter the main parking area by the old tennis courts and follow the designated route as outlined by the orange cones. Please stay to the left. When exiting the facility, yield to any buses exiting at the same time and turn to the right or left depending upon your destination.

No cars will be allowed in the front entrance circle (bus loading area) between 7:00 a.m. and 7:45 a.m. Additionally, there is no parking allowed in the front circle driveway from 1:30 p.m. until 2:15 p.m. in order to accommodate the buses.

Kelley Street **may not** be used as a drop-off and pick-up area for Middle School students. Please understand that the students are aware that Kelley Street is not to be used as the regular drop-off/pick-up area. It is confusing to them when they receive mixed messages from school and home. Of course, should circumstances warrant, permission will be granted by the administration to use Kelley Street. Please call the office to make those arrangements.

When picking up students, parents should park in the gravel lot next to the school and wait for their children. Parents will **not** be allowed to park and wait for students in the paved parking lot.
