Hello Animal Friends - Offered July 13, July 30, August 24

Meet our goats & chickens! Time to feed our animal friends, brush the goats, & do the animal chores. Let's collect eggs & make some chicken fodder. Let's see if chickens like eating frozen corn! Our day will include all animal activities & crafts. We will have exploration time, a farm tour, & an adventurous nature hike.

Bees and Seeds - Offered July 15, August 10

Come explore the amazing world of bees & beekeeping. We will use a teaching hive, spy our real beehives, and inspect some honeycomb. Bees are pollinators; we will make seed "bombs", flower craft boards, & plant some flowers to take home. Time to bee happy :)

Tie Dye and Trails - Offered July 17, August 12

It's time to hike & explore! Come and learn about bat houses, bird houses, and a beaver in his dam. Our trails are made for adventures. Get ready for a scavenger hunt before we settle down for terrific Tie Dye t-shirts.

Grass Heads and Gardening - Offered July 28, August 14

Let's get into the greenhouse and gardens. It is time to plant & harvest! Let's get some vegetables, wash them, and visit our Farm Store. Vegetable seeds under the magnifying glass are so cool! We can play some great games & plant grass heads to take home to grow.
