

# LATE FALL PROGRAMS

## LADIES NIGHT OUT - Face & Body – In Person

*Ann Fisher*

Welcome back to Molly's Apothecary's Ladies Night Out! Enjoy a fun, social evening of customizing wonderful bath and body products, such as bath salts, sugar scrub, lotion and some Melt and Pour soap projects. Everyone will take home a goody bag of full size products. We do require masks upon entering. Due to the new set-up of the room, for your protection, we may not be able to seat large groups together. Take the opportunity to make new friends!

## FUN AT THE FARM - Fairy Houses & Gardens

Boys and Girls! Join us on the farm where we will construct Fairy, Pirate, Dinosaur and Harry Potter gardens with trinkets, gadgets and elements from nature! Use your imagination to create a magical garden complete with your own secret scene. It is said that if you plant a miniature garden that something magical happens. Let's make some magic! This outdoor fun will also include a visit with our farm animals.

## FUN ON THE FARM - Forts & Fires – In Person

*Medway Community Farm*

Nothing is more epic than a fort! Meet us at the Farm where we will build lean-tos, teepees, stick tent forts, log forts and freestyle forts. Then, with the crisp weather rolling in, we will warm up (safely) by the fire. We can learn about campfires and the importance of the change in seasons. And, yes, we will also spend time with the goats and chickens! Bring a snack, lunch, water bottle, gardening gloves and a mask.

**Grades: 2-8**

## **TODDLER TIME AT THE FARM – In Person**

*Medway Community Farm*

The Farm invites toddlers to come meet our animals while enjoying the great outdoors this fall. Children will feed the goats and chickens, collect eggs, and explore the many special areas of the farm, such as our bird houses, bat houses and all the frogs in the pond! Come meet our farmer, check out his tractor and create a special art project or craft each day! Older siblings are welcome, too! Masks are strongly encouraged for our younger participants and social distancing is always encouraged for everyone. Register for one or all sessions. Rain dates are available.
